Dear Mr. Foster,

Attached please find the Regional Water Board's approval of the Monitoring Plan and Quality Assurance Project Plan for the subject Facility. In accordance with Order No. R4-2017-0095, please implement the approved Monitoring Plan and Quality Assurance Project Plan within six months from the issuance of this approval.

Summary: On May 30, 2018, Tesoro Refining & Marketing Company LLC (the Discharger) submitted a Draft Monitoring Plan and Quality Assurance Project Plan (Draft Plans) as per the Harbor Toxics TMDL Compliance Monitoring requirements included in the NPDES permit Order No. R4-2017-0095 for the subject Facility. Regional Water Board provided comments on the Draft Plans on July 27, 2018, through August 23, 2018, and the Discharger submitted a revision of the Draft Plans on September 18, 2018, incorporating the Regional Water Board's comments. On September 24, 2018, the Regional Water Board released the September 18, 2018, version of the Draft Plans for public comment. No comments were received by the Regional Water Board. The Regional Water Board has approved the Draft Plans included herewith.

Thank you very much. Please do not hesitate to contact me if you have any questions.

Sincerely,

Ching Yin To, P.E.
